LEE-RUSSELL AGING FOUNDATION

The Lee-Russell Aging Foundation is sponsoring the walk/run to raise funds for the provision of quality services to elderly citizens in Lee and Russell Counties. The Lee-Russell Aging Foundation was developed to work in conjunction with the Lee-Russell Council of Governments.

With your support, you can help to reduce these alarming statistics among seniors:

- Every 70 seconds, someone is diagnosed with Alzheimer's in the United States.
- Alzheimer's disease is the 5th leading cause of death for seniors in Alabama.
- 80% of Alabama seniors live with a chronic health condition.
- 14% of Alabama seniors live in poverty.

Every year, LRCOG provides 8,416 seniors with education, information and supportive services through this and other fundraisers.
