

SOUTHERN UNION STATE COMMUNITY COLLEGE

FOUNDATION

December 4, 2014

Dear Area Business:

The Southern Union State Community College Foundation is committed to providing the best educational opportunities possible for area students. Often, this means providing funds to students who might otherwise be unable to attend college. This spring, the Foundation will join forces with Envision Opelika and the SU Health and Wellness Division to make an even bigger impact on the community.

The inaugural Unity Stampede is scheduled for Saturday, April 11, 2015, at Opelika Sportsplex. This 5K/1 Mile Fun Walk/Wheel event will expand the popular Unity Run that has been sponsored by Envision Opelika in the past. This unique event will work to strengthen relationships among citizens of all cultures in our community.

As part of the post-race activities, the SU Foundation is holding a silent auction. The Foundation is calling upon Friends of the College, such as you, to help this inaugural event be a success. Please consider making a donation to be used at the silent auction.

All proceeds raised at this event will be used to fund Character Education through the Community Foundation of East Alabama, provide scholarships for students to Southern Union State Community College and to promote wellness and healthy lifestyles in the community.

With your support, the SU Foundation and Envision Opelika can keep our area moving forward...no donation is too small. Thank you for your consideration, and thank you for your support of Southern Union.

Sincerely,

Shondae Brown
Director of Public Relations/Foundation Liaison
Southern Union State Community College
