**THE FOLLOWING REQUIREMENTS APPLY TO ALL PERMIT ISSUED FOR THE USE OF THE TEMPORARY STRUCTURES(S) OR A TEMPORARY USE FOR COMMERCIAL PURPOSES.**

1. The maximum length of the permit shall be in 30 days. The first day of the 30-day permit shall be in the date shown on this permit. A maximum of four permits per calendar may be authorized. However, at least 60 days shall elapse between the expiration of one permit and the approval of another.
2. A site plan shall be submitted showing the location of the temporary structure/use. The temporary structure/use shall not occupy parking spaces, nor interfere with driveway isles, ingress and egress, sight triangles, required setbacks, or buffer yards. The site plan must show all temporary signs, electrical connections if applicable. Electrical connections shall be approved by the Building Inspection Department.

3. A temporary structure must meet requirements of five resistance prescribed in NfiPA 701. A certificate of flame resistance, issued by the manufacturer shall be located on the structure.
  4. In addition to number, two and three above, temporary structures for public assembly, public use, or temporary recreational facilities such as carnivals, fairs, and revivals shall provide adequate temporary sanitary facilities according to Lee County Health Department. See Ordinance 128-97 for other requirements.
- 

**I, the undersigned owner or authorized representative of the above business, agree to, and understand the requirements as set forth in the City of Opelika's Zoning Ordinance (Ordinance No. 128-97) Section 8.11.1, *Temporary Structures/Temporary Uses*. I understand that this permit is for 30 days beginning \_\_\_\_\_ and ending \_\_\_\_\_. I understand that the temporary structure must be removed after the permitted time period has expired.**
