READ. THE FOLLOWING GENERAL USE STANDARDS, (E) PARAGRAPH (1-5) OF SUBSECTION 8.17 CONDITIONAL USES; E. General Use Standards.

1. No application for a conditional use permit shall be approved unless the Planning Commission shall specifically find the proposed conditional use appropriate in the location for which it is proposed. This finding shall be based on the following criteria.
2. The proposed use shall be in harmony with the general purpose, goals, objectives, and standards of the Comprehensive Plan, this ordinance, or any other plan, program, map, or ordinance adopted, or under consideration pursuant to official notice, by the City.
3. There shall be a community need for the proposed use and a need to provide or maintain a proper mix of uses both within Opelika and also within the immediate area of the proposed use: (a) the proposed use shall not result in either a detrimental concentration of a particular use within the City or within the immediate area; and (b) the area for which the use is proposed is not better suited for or likely to be needed for the uses that are permitted as a matter of right within that district, in light of policies or programs of the City of Opelika.
4. The proposed use at the proposed location shall not result in a substantial or undue adverse effect on adjacent property, the character of the neighborhood, traffic conditions, parking, public improvements, public sites or right-of-ways, or other matters affecting the public health, safety, and general welfare, either as they not exist or as they may in the future be developed as a result of the implementation of provisions and polices of the Comprehensive Plan, this ordinance, or any other plan, program, map, or ordinance adopted, or under consideration pursuant to official notice, by the City or other governmental agency having jurisdiction to guide growth and development.
5. The proposed use in the proposed area will be adequately served by and will not impose an undue burden on any of the improvements, facilities, utilities, and services specified in this subsection. Where any such improvements, facilities, utilities, or services are not available or adequate to service the proposed use in the proposed location, the applicant shall, as part of the application and as a condition to approval of the proposed conditional use permit, be responsible for establishing ability, willingness and binding commitment to provide such improvements, facilities, utilities, and services in sufficient time and in a manner consistent with the Comprehensive Plan, this ordinance, the other plans, programs, maps and ordinances adopted by the City to guide its growth and development. The approval of the conditional use permit shall be conditional upon such improvements, facilities, utilities, and services being provided and guaranteed by the applicant.
