

SAFETY TIPS AND REMINDERS BEFORE YOU BEGIN

- Before you begin, make a plan for what you will do with filled bags. We recommend you bring those back to Covington and put in dumpster provided. If you only want to do trash pickup and don't want to participate in the Slam Dunk The Junk event, please let us know where you plan to place filled bags.
- Stay on the right-of-way (between telephone poles or sidewalk and street)
- Do not pick up anything dangerous
- Take an extra trash bag when you start
- Be mindful of traffic
- Wear bright colors or a vest
