

OPELIKA, *your next* HOME BASE

Learn. Grow. Excel.

From Pre-K through high school, to technical certifications or a four-year state college degree, education is at your fingertips in Opelika. If you are searching for the perfect place for you, your spouse or your child to gain their education, look no further.

Opelika City Schools begins nurturing little ones as early as Pre-K and continues developing middle schoolers and high school students into critical thinkers and problem solvers. Academics, personal growth and character building – paired with fine arts, an exceptional athletic program, Advanced Placement Courses, Dual Enrollment Classes, Work-Based Learning, Career & Technical Education and Ready to Work programs – prepare students to enroll in a four-year college or to enter the workforce directly after high school.

The close proximity to Southern Union State Community College and Auburn University makes it easy for you to expand your education right here at home. ***Let Opelika be your next home base for learning.***

“When I transitioned from active duty I wanted a place where my child could have a quality education and I could leverage my GI Bill benefits to start my own small business. I now have both. My son is receiving a quality education focused on maximizing his potential and I’m using what I learned at Southern Union every day as I run my own small business. Opelika has been a great fit for our family.” – Luis Saavedra, Owner of Boonie hat Coffee Company
