

# OPELIKA, *your next* HOME BASE

*Live. Play. Thrive.*

If you treasure history, dream of easy living and crave authentic entertainment venues and unique food experiences, then Opelika is the place to call home. The tracks that travel through Opelika's Historic Downtown have become a lively place for our diverse community to gather. It's home to entrepreneurs, businesses, restaurants, breweries, a distillery, stylish boutiques and more. And, it's a prime location for startup businesses.

Opelika's Tiger Town, the Opelika Sportsplex and Aquatics Center, the Pickleball facility and RTJ Grand National Golf Course are just a portion of the evidence of a city on the rise. We're home to industry that's one-of-a-kind, and we're prepared for further development in the years to come.

We enjoy the things we do together like our Victorian Christmas, Garden in the Park, the Azalea Trails and spending time at the baseball fields. Our cozy, laid-back atmosphere is full of friendly hellos and neighbors who know each other well. And, it doesn't take long for newcomers to feel welcome. ***Opelika, you're next home base.***

*"Opelika provides quick access to many veteran's resources and gives my family an extremely comfortable and safe quality of living. Opelika Parks and Recreation offers numerous opportunities to stay active and healthy and the sports leagues provide my children access to some of the highest-quality training in the state. Downtown Opelika is thriving and we thoroughly enjoy the frequency of events and opportunities for entertainment." – Chase Higgins, Training Officer, Opelika Police Department*
