Alabama Municipal Electric Authority 80 TechnaCenter Drive, Suite 200 Montgomery, AL 36117

Since 1992, the Alabama Municipal Electric Authority (AMEA) and its Members have provided over \$3 million in scholarships to graduating high school seniors who receive their electric service from AMEA Members, including Alexander City, Dothan, Fairhope, LaFayette, Lanett, Luverne, Opelika, Piedmont, Riviera Utilities, and Sylacauga.*

To be eligible for an AMEA scholarship, a student's parent and/or legal guardian must receive **electric** service from an AMEA Member utility. Granted only to graduating high school seniors, the student must attend a four-year college/university, community college, and/or vocational/trade school within the state of Alabama.

AMEA and its Member cities will make available 44, \$2,500 scholarships.

To download a scholarship application, visit the AMEA web site, **www.amea.com**, Scholarship. Applications are also available at all schools within AMEA Member cities. **Application deadline for the 2023 program is Monday, February 13, 2023.**

APPLICATION PACKAGE FOR SCHOLARSHIP

Alabama Municipal Electric Authority

The application (and all attachments thereto) must be signed, completed and submitted to AMEA at 80 TechnaCenter Drive, Suite 200, Montgomery, AL 36117. If an applicant fails to complete the entire application or fails to submit all the items in the format requested hereunder by the deadline date, the application will not be considered for any purposes or under any circumstances with respect to the scholarships of AMEA.

Please note that the application must be signed by both the student applying for the scholarship and the parent/legal guardian of the applicant and, if either of such signatures is not on the application, the application will be considered incomplete, and not considered in the application process.

The application with all required attachments and submissions must be postmarked no later than February 13, 2023.

By submitting the application package and the attachments and submissions related to the application, the applicant and his or her parent/legal guardian signing the application are certifying that the information submitted is true and correct and the applicant and his or her parent/legal guardian are agreeing to the scholarship conditions set forth below.

SCHOLARSHIP CONDITIONS

The terms and conditions on which the scholarships are to be made for the 2023 scholarship year are as follows:

1. The scholarship will only be granted to graduating high school seniors.
2. In order to qualify for the scholarship, the applicant must be a dependent of an **electric** customer of an AMEA Member city/utility at the time the application is made and through graduation from high school.
3. In order to qualify for the scholarship, the student must attend a four-year college, community college, or vocational/trade school in the state of Alabama.
4. The scholarship will be paid by AMEA directly to the educational institution for credit to the student's account at the institution.
5. The scholarship must be utilized within 16 months following the student's graduation.
6. The scholarships will be announced and awarded in the spring.
7. Incomplete applications (including all attachments) will be disqualified.
